Informacje o serwerze

Korzystanie z aplikacji na smartphonie wymaga naszego centralnego serwera. Yale nie gwarantuje dostępności miejsca na naszym serwerze. Yale nie może zagwarantować nieograniczonej i przyszłej dostępności naszego darmowego serwera. Skontaktujemy się z poszczególnymi użytkownikami za pośrednictwa poczty e-mail, jeżeli sytuacja się zmieni. W mało prawdopodobnym przypadku rozłączenia serwera system alarmowy będzie nadal działał (uzbrajanie / rozbrajanie) za pomocą dołączonej klawiatury. System nie jest używany do wykonywania połączeń alarmowych bezpośrednio z numerami alarmowymi 112/999. Informacje i ilustracje mogą ulec zmianie w tym dokumencie. Yale zastrzega sobie prawo do zmiany specyfikacji i projektu produktu w dowolnym momencie bez powiadomienia.

Niniejszym, ASSA ABLOY Ltd., School Street, Willenhall, West Midlands, England WV13 3PW deklaruje, że typ urządzenia radiowego Sync Smart Home Alarm jest zgodny z dyrektywą 2014/53/EU. Pełny tekst deklaracji zgodności UE jest dostępny pod następującym adresem internetowym: www.yalelock.com/smart-living/doc

THE YALE BRAND, with its unparalleled global reach and range of products, reassures more people in more countries than any other consumer locking solution.

THE ASSA ABLOY GROUP is the world's leading manufacturer and supplier of locking solutions, dedicated to satisfying end-user needs for security, safety and convenience.

An ASSAABLOY Group brand
