### Opis

## Blue Diamond Skillet with Lid, Non Stick Aluminium Pan - Induction & Oven Safe Cookware - 28 cm, Blue

Producent: The Cookware Company

- 28 cm sauté pan with helper handle: this versatile, family-sized pan is your Go-To For everyday use— braise a brisket or layer on the ingredients without worrying about having room for everything. You also don't have to worry about a messy clean-up thanks to the diamond-infused non-stick coating. A matching tight-fitting glass lid seals in moisture and nutrients for flavourful results every time you cook
- The new standard in non-stick: the ultra-durable diamond-infused ceramic coating is 5x harder and 10x longer lasting than traditional non-stick coatings, making it scratch-resistant and metal utensil safe. Diamonds also transfer heat 4x faster than traditional coatings, for quicker, More even cooking, effortless food release and easy clean-up
- Toxin-free: manufactured without PFAS, PFOA, lead or cadmium, so you don't have to worry about them ending up in your food. Healthy cooking has never been so easy
- Warp control base: a heavy-duty forged base ensures extreme strength, so you'll never have to worry about warping, wobbling or degrading over time
- Use & Care: suitable for gas, electric, Halogen, ceramic and induction stovetops. Oven and broiler safe. Dishwasher Safe. For long-lasting performance, cook on low to medium heat settings with butter or a few drops of high smoke point oil. Using Nylon or wooden utensil will expand the lifespan of your cookware. Please note: metal handles may Become hot; use caution while cooking
