Cena: **235.21 zł**

Opis

Erik The Witcher Kufel do Piwa, Ceramika, Czarny, 750 ml

Producent: Grupa Erik

▣ Kufel do piwa inspirowany wikingami z uniwersum Wiedźmina - idealny dla fanów gry i serialu Netflix. Możesz używać tego kufła wikingów do picia dowolnego napoju - zimnego piwa, whisky, koktajlu, kawy, mleka lub ulubionego trunku.

▣ Specyfikacje - Spragniony? Gdy 1 pint to za mało, potrzebujesz jednego z tych! Kufel do piwa ma pojemność 750ml / 25 oz / 1,5 pinta. Jego duży rozmiar i uchwyt sprawiają, że jest idealny do picia Twojego ulubionego napoju w dużych ilościach. Dzięki grubości ceramiki Twój napój pozostaje schłodzony, a uchwyt ułatwia chwytanie!

▣ Idealny prezent - Dzięki wypukłym wzorom i oryginalnemu designowi, ten kufel do piwa jest idealnym prezentem na każdą okazję, czy to dla Ciebie, Twoich przyjaciół czy rodziny! Najważniejsze to to, że ten kufel nie jest tylko do picia, ale również jako dekoracja, szeroko wykorzystywana w domu, na przyjęciach, w barach i nie tylko.

- ▣ This Viking beer mug inspired by the universe of The Witcher is ideal for fans of the game or the Netflix series. You can use this viking tankard mug to drink anything you want - cold beer, whiskey, cocktail, coffee, milk or your favourite beverage.
- ▣ Specs - Thirsty? When 1 pint just isn't enough you need one of these! This beer tankard has a capacity of 750ml / 25 Oz / 1.5 Pint. Its large size and handle make it the ideal beer glass for enjoying your favourite drink in large quantities. Thanks to the thickness of the ceramic, your drink stays cool and the handle makes it easy to grip!
- ▣ Ideal Gift - With its embossed patterns and original design, this beer mug is a perfect gift for any occasion, whether for you, your friends or your family! The most important is this lord of the rings mug is not only a drinking cup, but also as decoration, widely used in home, parties, bars and so on.
- ▣ Ceramic Mug - Please do not put the shaped mug in the dishwasher and even though this large mug is made entirely of ceramic, it is not microwave safe. Clean before first use. Ceramic material is a very good insulator and it can keep your beer at a perfect temperature.
- ▣ 100% official - At Erik we make sure our products are made of the best materials out there, partnering with the most popular brand and licenses on the market. We pride ourselves on providing quality and durable products since 1997. Check our Amazon catalogue and discover our extensive range of stationery and merchandising products!
